Dearlly Beloved,

Grace and peace to you from our Lord Jesus Christ! I want to extend a warm and heartfelt welcome to every one of you, whether you are a first-timer, watching online or you're with us here in person, we want you to know that you are highly valued and you are not alone!

Here we are again at the beginning of another year, and there's been a thought in my mind that may seem simple, yet it's a powerful truth; "New Year, Same God"!

That brief statement reminds me of the beautiful scripture in Hebrews 13:8 (NKJV) - 'Jesus Christ is the same yesterday, today, and forever.'

With changes coming at us so quickly, it's wonderful to know God never changes! God doesn't "adapt" to the times. The Word doesn't change according to cultural or economic pressures. God doesn't answer to anything or anyone because He is the King of Kings and the Lord of Lords.

2024 is our year of Greater Works so I declare that you will see the Greater Works of God in your life this year and you will be used by God for Greater Works this year in Jesus name, Amen!

Happy New Year!

21 Days Fasting and Praying Summary: January 1-21, 2024

Lessons Gained During the 21 Days of Fasting and Praying:

- Fasting should be the lifestyle of every Christian because it builds up our spirit and gives us substance. 2 Corinthians 4:16 (NIRV).
- Fasting and Praying destroys certain things from our lives. It builds up our character, helps us cultivate new habits and transforms our mindsets.

7 things to take heed of:

- i. Offense and Unforgiveness. Mark 11:25. Romans 5:5.
 - ii. Accusations and pointing fingers at others. Isaiah 58:9. Matthew 7:1-5.
 - iii. Speaking Idle Words and Gossiping. Proverbs 10:19.
 - iv. Feed the Hungry and Meet the Needs of Others. Isaiah 58:10.
 - v. Help Those in Trouble. Isaiah 58:10.
 - vi. Don't Walk in Your Wisdom. Proverbs 3:7.
 - vii. Abstain from Pleasure. Isaiah 58:13.
- During and after fasting, we must remain in the attitude of thanksgiving and praise to God.

Testimonies

I want to thank God for adding another year to my son, Israel. He turned seven (7) on Monday. I thank God for how He delivered him from several ailments when he was much younger and how God has sustained him up till now through the ministrations of His son, our Pastor.

- By Sis. Shola

I want to thank God for financial increase. God has blessed me financially, not just in Naira but also in foreign currency. Praise God!

Daily Devotional

It is foolhardy to rush into a new venture or a new year without divine backing. It is like trying to cut down a tree with a dull axe. "If the axe is dull, and one does not sharpen its edge, then one must exert more strength; however, the advantage of wisdom is that it brings success" (Ecclesiastes 10:10 HSCB).

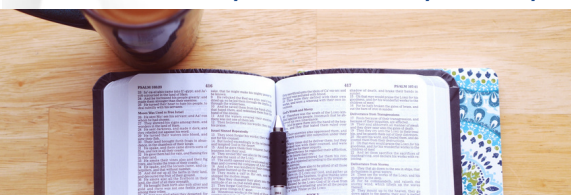

If you don't want to exert or waste efforts, strength, and resources this year, then you have to start the new year by seeking God first. Why do you have to seek Him, you may ask? It is so that you will know the right way to go.

"There is a way that seems right to a man, but its end is the way of death" (Proverbs 16:25 NKJV). You will meet a dead-end if you continue to walk in your wisdom. Only God perfectly knows the future and the way you should go this year. But He won't show you or lead you on if you don't ask Him. It is as simple as that.

Word: Wouldn't it be wise to ask God? The Lord Jesus said that if we ask then, we will receive and if we seek, we will find. (Matthew 7:7-8). So go ahead ask God for direction and help for this year. (Isaiah 48:17). God will hear and answer you speedily and this year will be the best of years for you in Jesus name.

How You Can Be Led By The Spirit Of God

In the year 2023, God revealed that it would be a year of exploits, and this year, it is declared to be a year of "Greater Works." God has abundant blessings in store, desiring to work wondrously for us and through us. By deepening our faith and believing in His promises, we can witness the manifestation of God's blessings.

According to 2 Chronicles 20:20, genuine belief in God and His prophet leads to prosperity, and if we sincerely believe in the promises conveyed through His prophet, we will experience greater works this year.

It is crucial to actively pray over and run with the prophecies, avoiding limitations based on our understanding, as God specializes in the impossible.

Additionally, by meditating on and confessing God's spoken words, we bring forth into existence things that are not yet apparent, as faith is incomplete without corresponding action and confession.
