*Dearly Beloved,*

As we gradually close in on the end of the year, I want to thank God for everyone of us.

This year has been eventful. We have seen the mercies and faithfulness of God. We have seen prophecies fulfilled and trials turned into testimonies.

God has been kind to us.

I want thank you for being part of the story that God is writing here in HERMON. And He is not done with the year's chapter. He still has more He wants to do and accomplish through us.

Make sure you are part of our end of the year services. The timetable is on the next page. Please note them and prepare for beautiful endings and for a prophetic start into the new year.

## OBTAINING BEAUTIFUL ENDINGS BY INCREASING DISCERNMENT

To discern is to distinguish grey areas – the things that look alike, but they are really not the same. Discernment is a sign of spiritual maturity and confers spiritual authority. It is a critical spiritual skill and asset and the primary requirement for sound living.

6 Ways to Discern:

1. The Source: who is speaking/saying it. Always check the spirit behind the source. Even if a message is correct, the source might be wrong. (Acts 16:16-25 Deuteronomy 13:1-4).
2. Is it in agreement with the Word of God? (Acts 15:15).
3. Do you have the witness of the Spirit? (Romans 8:16).
4. Does it lead you to godliness/righteousness? (1 Timothy 6:1-4)
5. Is what you are hearing building you up spiritually? (Ephesians 4:29. 1 Thessalonians 5:11)
6. Does it advance the kingdom of God? (Matthew 6:9-10)

Growing in discernment: The more you love God and man, the more you will grow in discernment. (Matthew 22:37-39; 1 John 4:20)

4 Ways to Practically Love God:

1. Do what He commands. (John 14:15)
2. Make His priority your priority. (Matthew 6:9)
3. Give to God. (John 3:16)
4. Intercede for others.

## RESTORED

I want to thank God for all He has done for me this year. I started the year lost and afflicted and almost dead, but God has restored me.

In September, the month of Anointing, Pastor had asked us to make a radical prayer request. I requested to have the anointing on Pastor's life, and I want to thank God for answering and giving me the capacity in the Spirit to do things I wasn't able to do before.

Secondly, I was afflicted with an illness that defied explanation – my left hand started to peel. I spoke the Word of God to it and rode on the anointing upon Pastor and as God will have it, I have been fully healed and restored. I thank God for beautiful endings.

# Daily Devotional

God gave the believer a place and an identity in Christ Jesus so powerful that it is impossible for any believer to live in defeat if he or she has a clear understanding and active consciousness of the new identity in Christ Jesus. This is the central theme of the first chapter of the Epistle to the Ephesians. (Ephesians 1:1-23).

As important as this new identity is, the consciousness of it is even more important. This is because until you live with the consciousness of this new identity in Christ, you will be unable to command anything though it is well within your right and power as a believer to do so.

And if who or what you should be commanding is controlling or lording it over you, of what use then is the death of Jesus Christ and His victory over the devil in your life?

**Word:** God has made you a king. (Revelation 5:10). Speak and live like one. That is what faith is. Kings rule. They rule by decrees and commands. What are you decreeing? What are you commanding?

Prayer: Read and pray through Job Chapter 22: 21-29.
